## مسح بيانات المتصفح

The screenshot shows a web browser window with a yellow border. At the top, there's a toolbar with icons for search, refresh, and user profile. Below the toolbar, the address bar displays a URL. The main content area shows a dark-themed interface with Arabic text. A context menu is open, revealing several options: 'Save Page As...', 'Create Shortcut...', 'Clear Browsing Data...', 'Extensions', 'Task Manager', and 'Developer Tools'. To the right of this menu is the 'More Tools' submenu, which includes 'Edit', 'Cut', 'Copy', 'Paste', 'Settings', and 'Help'. The entire browser window is enclosed in a yellow border.
