Browse, search, and explore journals indexed in the Web of Science

The Master Journal List is an invaluable tool to help you to find the right journal for your needs across multiple indices hosted on the Web of Science platform. Spanning all disciplines and regions, Web of Science Core Collection is at the heart of the Web of Science platform. Curated with care by an expert team of in-house editors, Web of Science Core Collection includes only journals that demonstrate high levels of editorial rigor and best practice. As well as the Web of Science Core Collection, you can search across the following specialty collections: Biological Abstracts, BIOSIS Previews, Zoological Record, and Current Contents Connect, as well as the Chemical Information products.

The screenshot shows the Web of Science search interface. At the top, there are navigation links for Web of Science, InCites, Journal Citation Reports, Essential Science Indicators, EndNote, Publons, and Kopernio. The main header includes the Web of Science logo and the Clarivate Analytics logo. A notification banner states: "Web of Science will undergo scheduled maintenance from February 13, 2020 at 11:00 GMT to February 13, 2020 at 23:00 GMT. During this time, access may be intermittent. We apologize for any inconvenience." Below the notification, there is a search bar with the text "International journal of mechanical sciences" and a dropdown menu for "Publication Name". A red arrow points to the "Search" button. The interface also includes a "Select a database" dropdown menu set to "Web of Science Core Collection", a "Timespan" dropdown menu set to "All years (1900 - 2020)", and a "More settings" link. At the bottom, there is a link to "Saudi Arabia Consortium".
